## To Dine For – Garnet Hill's Exclusive Table Linens

Garnet Hill makes every holiday meal a festive experience with their seasonal collection of table linens. The exclusive 2006 assortment of unique fabrications reflects inspirations from around the globe. An abundance of handiwork, including embroidery, appliqué, beading and quilting, results in artistic designs unlike anything else in the marketplace. Here are a few choice examples:

### Embellished Snowflake Runner

Sequined and beaded snowflakes embellish cross-dyed silk dupioni in an iridescent shade of teal. Backed with sateen and edged with silver cording... what could be more elegant?

### Folkloric Place Mats and Runner

Folk elements from multiple cultures come together in this dramatic table décor of black felt accented with embroidery, gold sequins and pretty crocheted trim.

### Oslo Felt Place Mats and Runner

Cut felt designs stand out in contrast to a cotton/linen background defined by satin ribbons, creating graphic, modern accessories with a Nordic sensibility.

### Holiday Star Table Linens

Cotton/linen in a rich cranberry color is decorated with fanciful red appliquéd felt stars highlighted by gold French knots. Designed by Hable Construction exclusively for Garnet Hill, it brings a bright, whimsical splash of cheer to the table.

### Chatelet Quilted Table Linens and Cloister Table Linens

Two Garnet Hill classics return for the holidays, both offering a rustic yet elegant French-country look with their red and white color palette and handcrafted designs. The traditional motifs of the CHATELET LINENS are quilted and appliquéd by hand; CLOISTER LINENS feature an intricate embroidered diamond grid on a natural linen ground.
